F. [illegible] Wright, Esq., U. P.,

[illegible], Wyo.

Dear Wright;

I have a matter in which you may be able to assist a good worthy man. A man bought a scrip--a South African scrip, located it on a half section which lies in an entirely different place to where he supposed it laid when he made the selection.

It appears the stakes were not to be found and the man who was steering him out proved and it now turns out that the land he really has is in a river and almost worthless. So much so that he will lose the whole thing as there is no land fit to farm on with in that section or half-section. What I want you to try to out done is to allow him to exchange this location before he does anything thereon for some other location that might be found,--He to abandon his right to this location and take his chance to get another, or he might state to the Department the location he would like to have substituted.

He is a worthy man can ill afford to lose the scrip which he will certainly do if new remedy is granted by the Department of Interior.

The half-section he located is the south half of sec. 30 in Town. 1, 17, Rge. 17, the East half of Sec. 19. is over I believe in the same T. and R.

Could you induce the Department to allow him to make the change before he loses the whole thing, or are the rules like the laws of the Medes and Persians.?

John Ford is his name. He is now at Brooks, Alta.
I know all the circumstances and if anything can be done, he is surely a man that we should assist.

Would you kindly write to the Department privy it your personal affair that some thing be done if possible. I should think that under the circumstances the Department might allow him to make a change or to make a second location giving up the first. It is absolutely no good. Now you will think I never time making favors.

Re: S.E. 14-53-26-...4th M. ...ercenal.

S.E. 6-53-26-...4th M. ...rcenal.
Alzear Bourgeois.
Your reference - 1491.

I have your letter of ... 7th instant in the ... Napoleon Bourgeois has been called upon to ... application ... patent ... application ... entry for the S.E. 1-60-7-...5th W.

In reply I am to state that when making application for patent for the S.E. 14-53-26-...4th W. on the 14th November, 1914, Napoleon Bourgeois stated that he was a British subject by virtue of his father's naturalization and that he ... came to Canada at the age of three.

In checking the father's application for patent for the S.E. 6-53-26-...4th W. it is noted that the father, Alzear Bourgeois stated that he was a British subject by birth. On Alzear's application for homestead entry he stated that he was a ... from the Province of Quebec.

In view of Napoleon's statement that he was naturalized through his father he was called upon to furnish some explanation and in a declaration executed on the 7th July, 1917, duly sworn to, he stated that his father was a British subject by birth. This established to the satisfaction of this Department the nationality of Napoleon and patent for his homestead issued in his favour bearing date of the 8th September, 1917.

Yours very truly,

J. Lorne Turner,
Deputy Minister of Lands.

Dear Sir:-

re Scrip Certificate 2670

This scrip was issued to one Justina Rousselle.

In connection with it we are acting for Mr. John D. Patterson of Woodstock Ont.. but there is apparently going to be some trouble about it.

On the second of July 1901 Mr. Patterson who was then in Calgary engaged in scrip transactions and who had there-to-fore employed as his solicitor Mr.F.J. Nolan of this City instructed Mr. Nolan to purchase an additional scrip for him at $[illegible].00 and then Mr. Nolan signed an agreement (copy of this which we have attached to this letter. After signing the agreement and after receiving the $150.00 mentioned in it, Mr. Nolan informed Mr. Patterson that he had secured the scrip in question and agreed to locate it on lands that were then named to him by Mr. Patterson.. Mr. Nolan neglected to do this and when Mr. Patterson pressed him to carry out his agreement he refused to do so unless Mr. Patterson would advance the balance before location which, for certain reasons Mr. Patterson did not consider a safe thing to do. In consequence of this disagreement Mr. Nolan afterwards repudiated the whole transaction, denied that the scrip belonged to Mr. Patterson and merely offered to return the $150.00 Mr. Patterson still claims that this scrip is his and

and proceeding are

778178

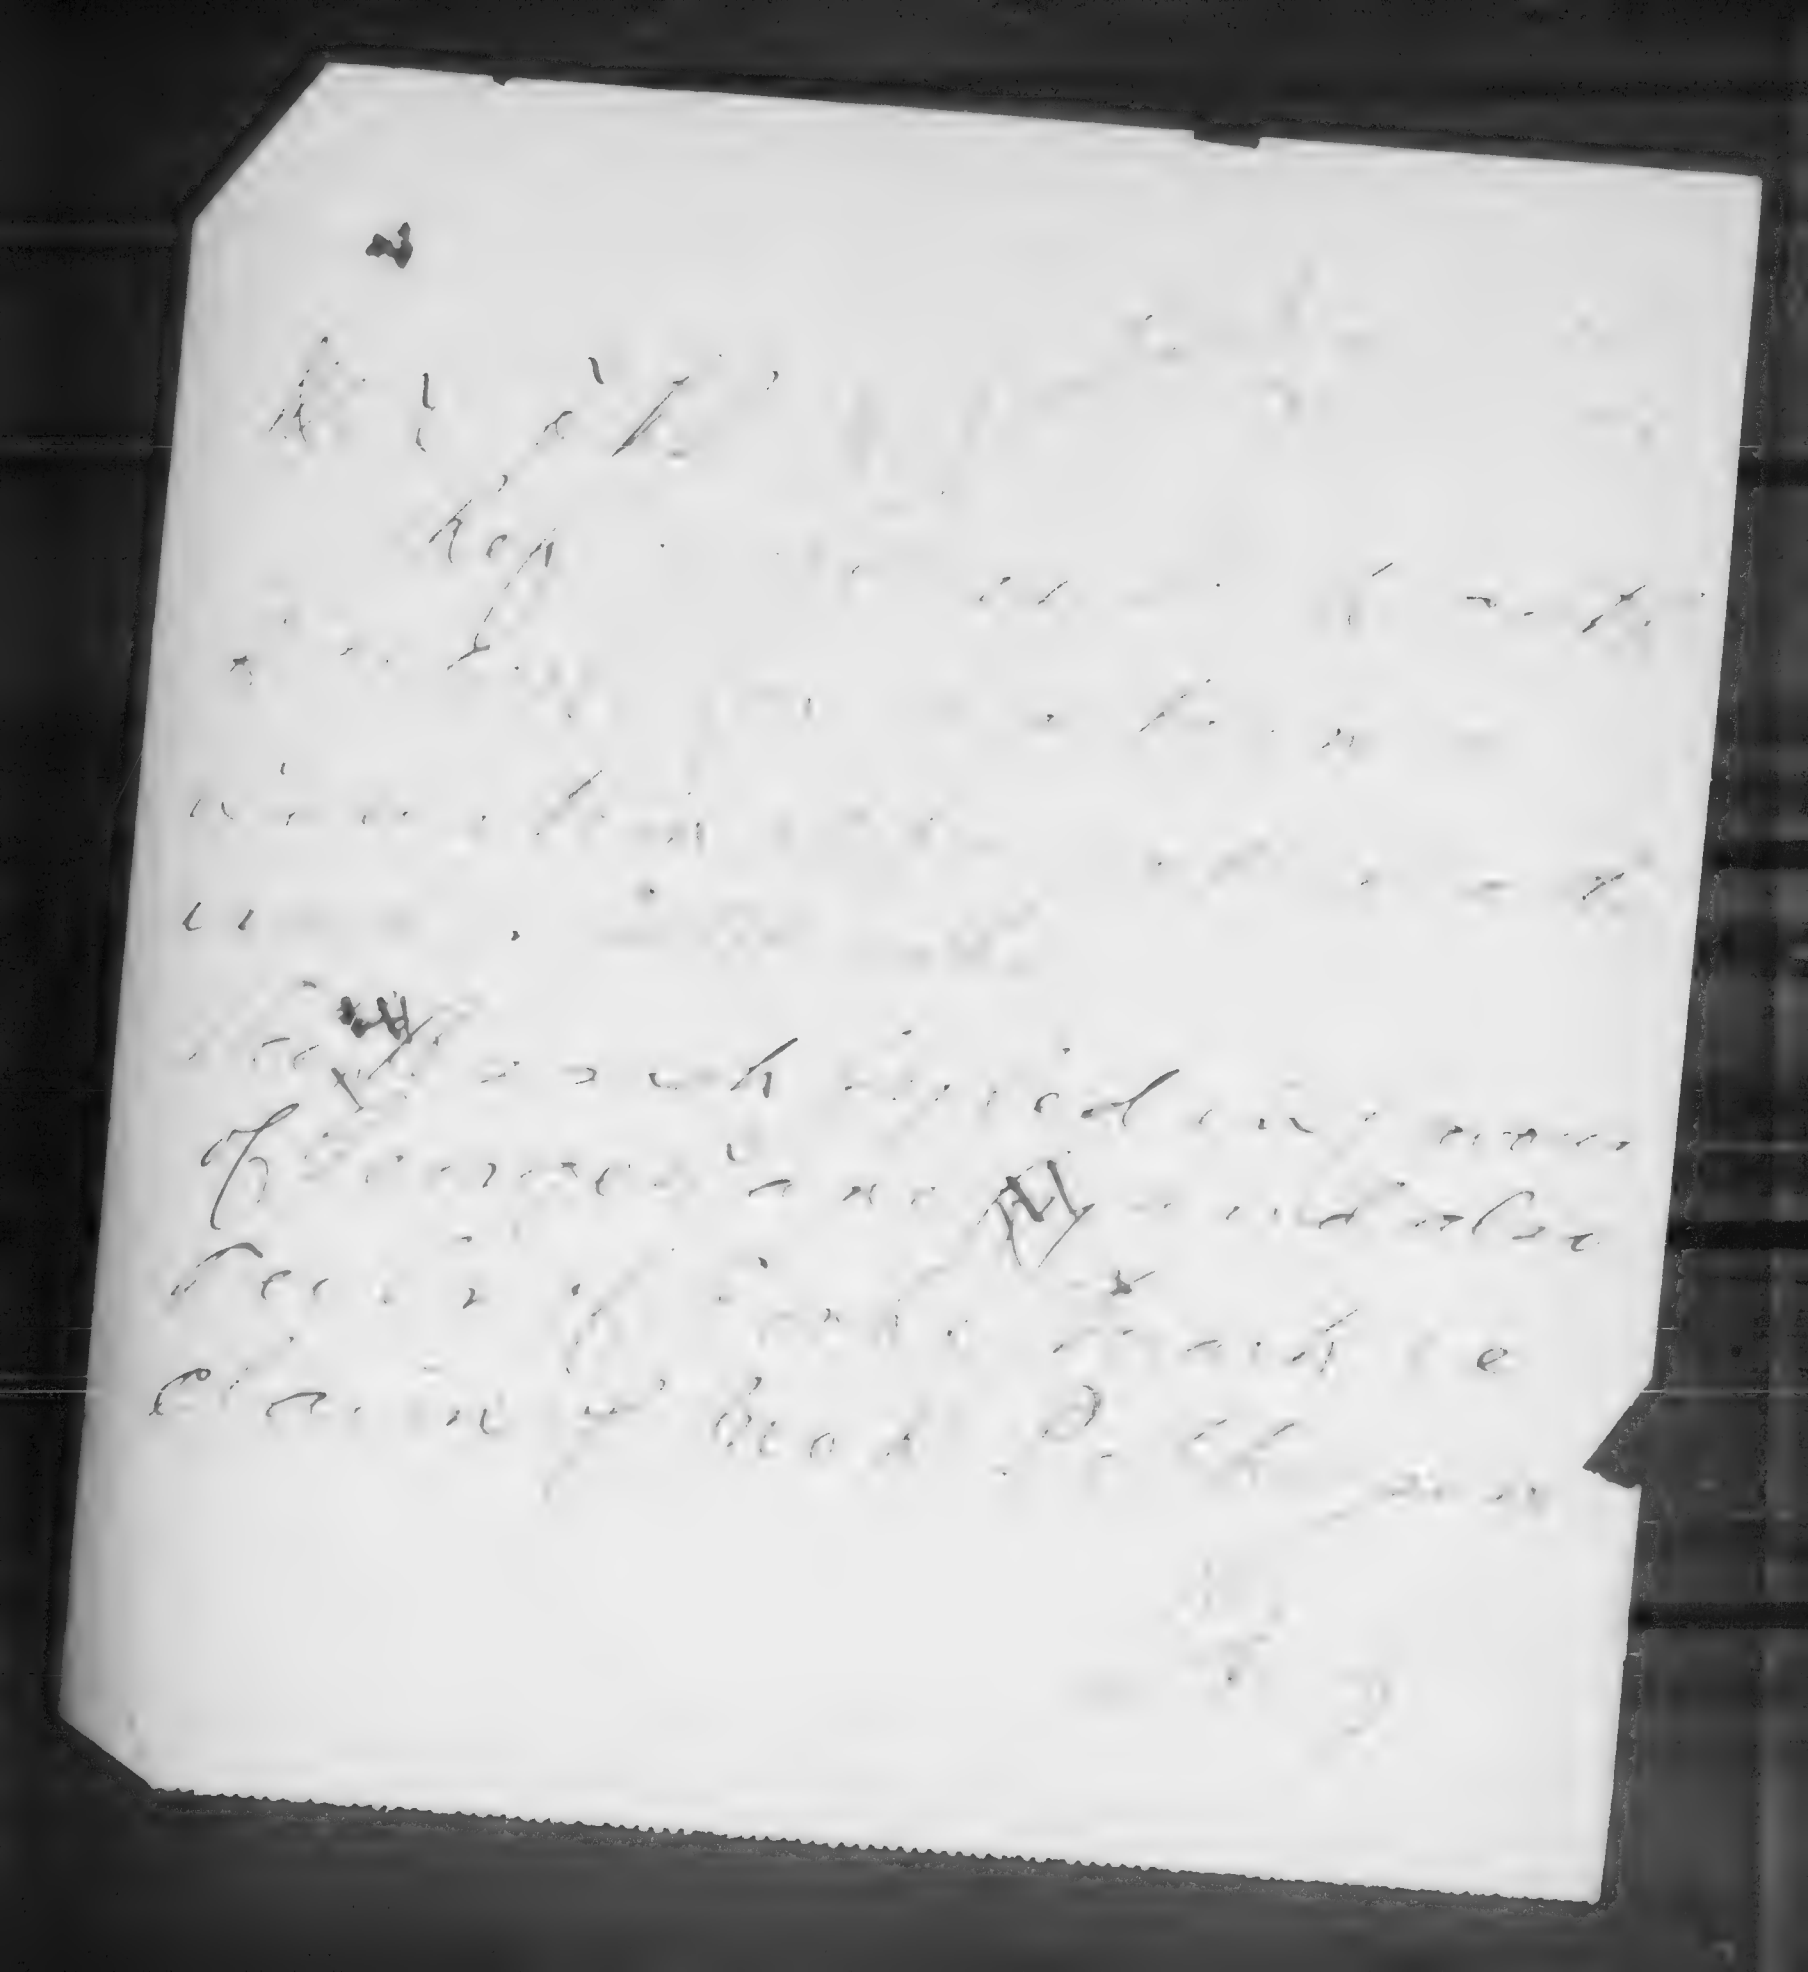

Received from J. D. Patterson, Esq., the sum of One Hundred and Fifty Dollars in trust to be applied on the purchase of an additional land scrip which I agree and undertake to locate (on lands to be named by said J. D. Patterson) within two weeks from this date, the balance to be paid on location of said scrip and execution of transfer to said J. D. Patterson and I also agree and undertake to locate the Location Ticket Application land scrip already secured without further expense to said J. D. Patterson.

That I did on Wednesday the twenty sixth day of May in the year of our Lord one thousand nine hundred and three personally serve P. J. Nolan the above named defendant with a true copy of the writ of summons and statement of claim herein to which and whereof I do exhibit A and B respectively I delivered such copy to and leaving the same with him at Calgary

Sworn before me at the City of Calgary in the District of Alberta this 4th day of June A.D. 1903

[illegible]

IN THE SUPREME COURT OF THE NORTH WEST TERRITORIES "B"

NORTHERN ALBERTA JUDICIAL DISTRICT

BETWEEN :-

John T. Patterson
of Woodstock, Ontario, Plaintiff.

- and -

P. J. Nolan,
of Calgary, Alberta, Defendant.

Statement of Claim

1. The defendant wrongfully detains from the plaintiff the plaintiff's goods and chattels namely a certain halfbreed scrip certificate numbered 2027 issued in the name of one Justina Rouselle.

2. In the alternative the plaintiff says that the defendant is an advocate of the Supreme Court of the North West Territories and on or about the 2nd day of July, 1901, the plaintiff employed the defendant as his advocate to purchase for him, the plaintiff, a halfbreed land scrip and the defendant then signed an agreement and undertaking as such advocate in the words and figures following, that is to say:- Received from J. T. Patterson, Esqr. the sum of one hundred and fifty dollars in trust to be applied on the purchase of an additional land scrip which I agree and undertake to locate on lands to be named by J. T. Patterson) within two weeks from this date, the balance to be paid on location of said scrip and execution of transfer to said J. T. Patterson and I also agree and undertake to locate the Charles Thomas Anderson land scrip already secured without further expense to said J. T. Patterson.

Calgary July 2nd, 1901.

P. J. Nolan,
Advocate.

and at the time of signing the said agreement it was agreed between the plaintiff and the defendant that the plaintiff was to pay the sum of $250.00 for the said land scrip the plaintiff then paid the defendant the sum of $150.00 referred to in the said agreement and agreed to pay the balance of $100.00 when the

located on lands described by the plaintiff and the said sum of $250.00 was agreed to cover all charges in connection with the said scrip including the remuneration to be received by the said defendant for his services in connection therewith.

3. The defendant did purchase for the plaintiff a halfbreed land scrip namely the scrip referred to hereinbefore and upon the said defendant refused and neglected to locate the said scrip on the lands which were named by the plaintiff and the defendant has still the said scrip in his possession, power and control.

4. The said scrip certificate is a valuable scrip and is worth now the sum of $[illegible] and is in the form of a document signed by John A. J. McKenna and James Walker, Halfbreed Commissioners whereby the said commissioners certify that one Antoine Ronsville is entitled as a halfbreed to receive from the government of Canada 240 acres of land.

5. The plaintiff after the execution of this action offered to the defendant the sum of $100 cash for the said scrip and defendant was offered to give receipt to have the said scrip located before payment of the said sum of $100 was asked for, the defendant, for the said certificate but the defendant refused to deliver up the same to the plaintiff.

6. The said defendant holds the said scrip in trust for the plaintiff and the plaintiff is afraid that the defendant will dispose of and deal with the said scrip and deprive the plaintiff of the ownership and interest.

The plaintiff therefore claims :-

1. Return of the said scrip or the sum of $[illegible] the value thereof.

2. An injunction restraining the defendant from selling, disposing of or in any way dealing with the said scrip.

DATED at [illegible] this [illegible] day of September 1902 and delivered by Messrs. Stuart & Stuart [illegible] City of Calgary, in the District of Alberta, Advocates for the plaintiff.

S i r;

I have the honour to acknowledge receipt of your letter of the 9th instant -77244- relating to the claim of Mr John D. Patterson to a certain halfbreed certificate or to the scrip issued thereupon or the lands located by the halfbreed.

In reply I beg to state that so far as I can see no case is made out upon which your department could properly take any action in the matter such as Mr Patterson would have taken. The situation appears to be that lands have been located by the halfbreed Justine Roussel and have been transferred by her to George Lane. There is no evidence before the department that Lane had notice of the facts charged by Mr Patterson in his proceedings against Nolan, and if there were the department could not undertake to try the case as between the claimants. I think that Mr Patterson must be left to his remedy in the courts. It would not, however, be improper to inform Mr Patterson's solicitors that this is the view of the department, and to await their reply before taking action upon the opposing claim.

Papers returned herewith.

A certificate of title issued to T. Bailey, both set that his men was here on the 15th September, 1905.

A Department Inspector investigated, and in a report dated the 17th May, 1907, stated that Mr. Stelling and family were living on this quarter section and had resided there since June, 1905, the former part of the time, the latter continuously. The Inspector favored Stelling's claim.

The case being submitted to the Commissioner, he decided that Stelling was to be granted entry, subject to payment for Bailey's improvements.

[illegible] Bailey, it may be noted, was not 18 years old when the department authorized the reservation of this land, on the 19th June, 1905, and he did not until the 15th September following.

[illegible] Bailey was likewise dissatisfied in this case, as regards Bailey, and requested that a visit be made to the locality to ascertain the decision arrived at.

[illegible] was granted Mr. Stelling on the 3rd August, 1907, upon payment of the value of Bailey's improvements. Mr. Bailey [illegible] stated that the improvements were undervalued by the [illegible] Inspector, and that they were fully worth $[illegible]. He accepts both the Inspector Stelling's information from Stelling. Inspector Cunningham denies this statement in toto and claims that he inspected the improvements himself and that the valuation thereof was his own.

THAT since the month of March, 1905, I have resided on the West 1/2 of Section 16, Township 25, Range 29, West of the 4th Meridian immediately adjoining the quarter Section of said Section 16 that one GEORGE W. WILCOX I am informed and believe made application for, and upon which land he built a house and barn.

IN May of the said year 1905, one Alex. Begley and myself leased the said quarter Section that the said George W. Wilcox was so interested in from his Widow Joanna Wilcox, as representative of the Estate of the said George W. Wilcox. The said Begley and myself have continued to occupy the same as the tenants of the Estate of the said George W. Wilcox eversince that time, and one of the conditions of our Lease being that we were to look after and care for the Stock belonging to the Estate of the said George W. Wilcox and the increase from said Stock and any additional Stock that the Estate of the said George W. Wilcox would put upon said premises. The said Stock at the time that we so rented said premises consisted of Twelve head and the Stock has gone on increasing yearly and during last year the Estate of the said George W. Wilcox had Twenty-four head of Stock pasturing upon said premises and the adjoining land.

THE SAID George W. Wilcox before his death had the said quarter Section altogether fenced in with wire fencing.

In addition to the pasturing of the said cattle upon the said land myself and said partner have cut the Hay growing thereupon consisting of about Eighty acres each year that we have had said place under Lease, except in 1906, when the a Prairie fire ran over the said Hay land and burned the Hay thereof.

AT THE Time of the application for the Patent for said land in September of 1907 there were Twenty-four head of cattle belonging to the Estate of the said George W. Wilcox that were

being situated on said before mentioned lands.
taxes have all, I believe, been paid upon said lands.

Dear Sir:

Re:Haffie Turzanske
N.E.¼ 36-58-8-W 4th M.
Your file 75587.

In reply to your letter of January 13th, I may say that when John Turzanski applied for patent he had not been naturalized. However there is a document on file issued by the Supreme Court, Edmonton, certifying that John Turzanski, who held entry for the N.W.¼ 16-54-19-W 4th, appeared before the court on August 20th, 1919, and his application was approved by Judge Simmons. The Under Secretary of State under date of November 20th, 1920, advised this Department as follows:

"Naturalization Branch
File No. 4382-1a. Ottawa, November 20, 192[illegible].

Sir,

I have the honour to inform you that a Certificate of Naturalization has been issued in the application of John Turzanski for Naturalization under Section 2 of the Naturalization Act, 1914 and 1920.

I have the honour to be
Sir,
Your obedient servant

Arthur Brophy
for Under Secretary of State."

The date of the certificate is not shown on our records.

Yours very truly,

MEMORANDUM:

Mr. Hume.

Application for patent of Mr. Harvey F. Clemens, for his H.E. the S.E.¼, South of River, of section 24-12-1-W. 4th M. at Lethbridge.

This Mr. would appear to have completed the residence duties, but has only 11 acres of cultivation and 10 acres crop, whereas, he should have 20 acres of breaking and 10 crop.

He claims 12 head of stock, and farm remarks as follows:-

Horses valued at $400.
Cattle " 200
Poultry " 50
Other implements 1000

The Homestead Inspector in his report dated the 24th ultimo makes the following remarks:-

"I beg to say that the land in Lethbridge 24-12-1-W-4th M. the Homestead of H. F. Clemens is suitable for agricultural purposes. At present Mr. Clemens has 12 acres broken which is all that is suitable to crop in rotation or amount of land being ready for rolling and cut up with ridges. In my opinion, Mr. Clemens should be allowed to crop up to about 15 acres instead of 10 acres."

Certificate of naturalization required.

In view of the foregoing, please say if you will accept the cultivation duties as satisfactory in this case.

Copy for Mr. Hume.

22nd May, 1916.

Sir,

I beg to acknowledge the receipt of your letter of the 3rd inst. ref.-11874, forwarding Mr. Kirley Kerr Glosser's application for patent for the S.E.¼ (south of the river), Sec. 34, Township 1., Range 4, W. 4th M., together with Dominion Inspector Hanley's report dated the 24th ultimo, with respect to the area that can be cultivated upon the quarter-section in question. In this connection I beg to draw your attention to the unsatisfactory nature of the Inspector's report as, although he states only twelve acres can be broken on the quarter-section in question, he neglects to state what it cost to break this area and he also neglects to furnish any details in regard to the other improvements upon the homestead.

I am also to call your attention to the fact that this report was made on Form No. 34, notwithstanding the fact that the circular letter dated the 20th November, 1911, specially states that in every case when making a report on land, no matter for what reason the report might be called for, the Inspector was to use Form 34 and if there was not sufficient space to contain the Inspector's general remarks he was to then, and then only, make use of Form 34a.

Encl.

The Agent of Dominion Lands,
Medicine Hat.
Alberta.

- I -

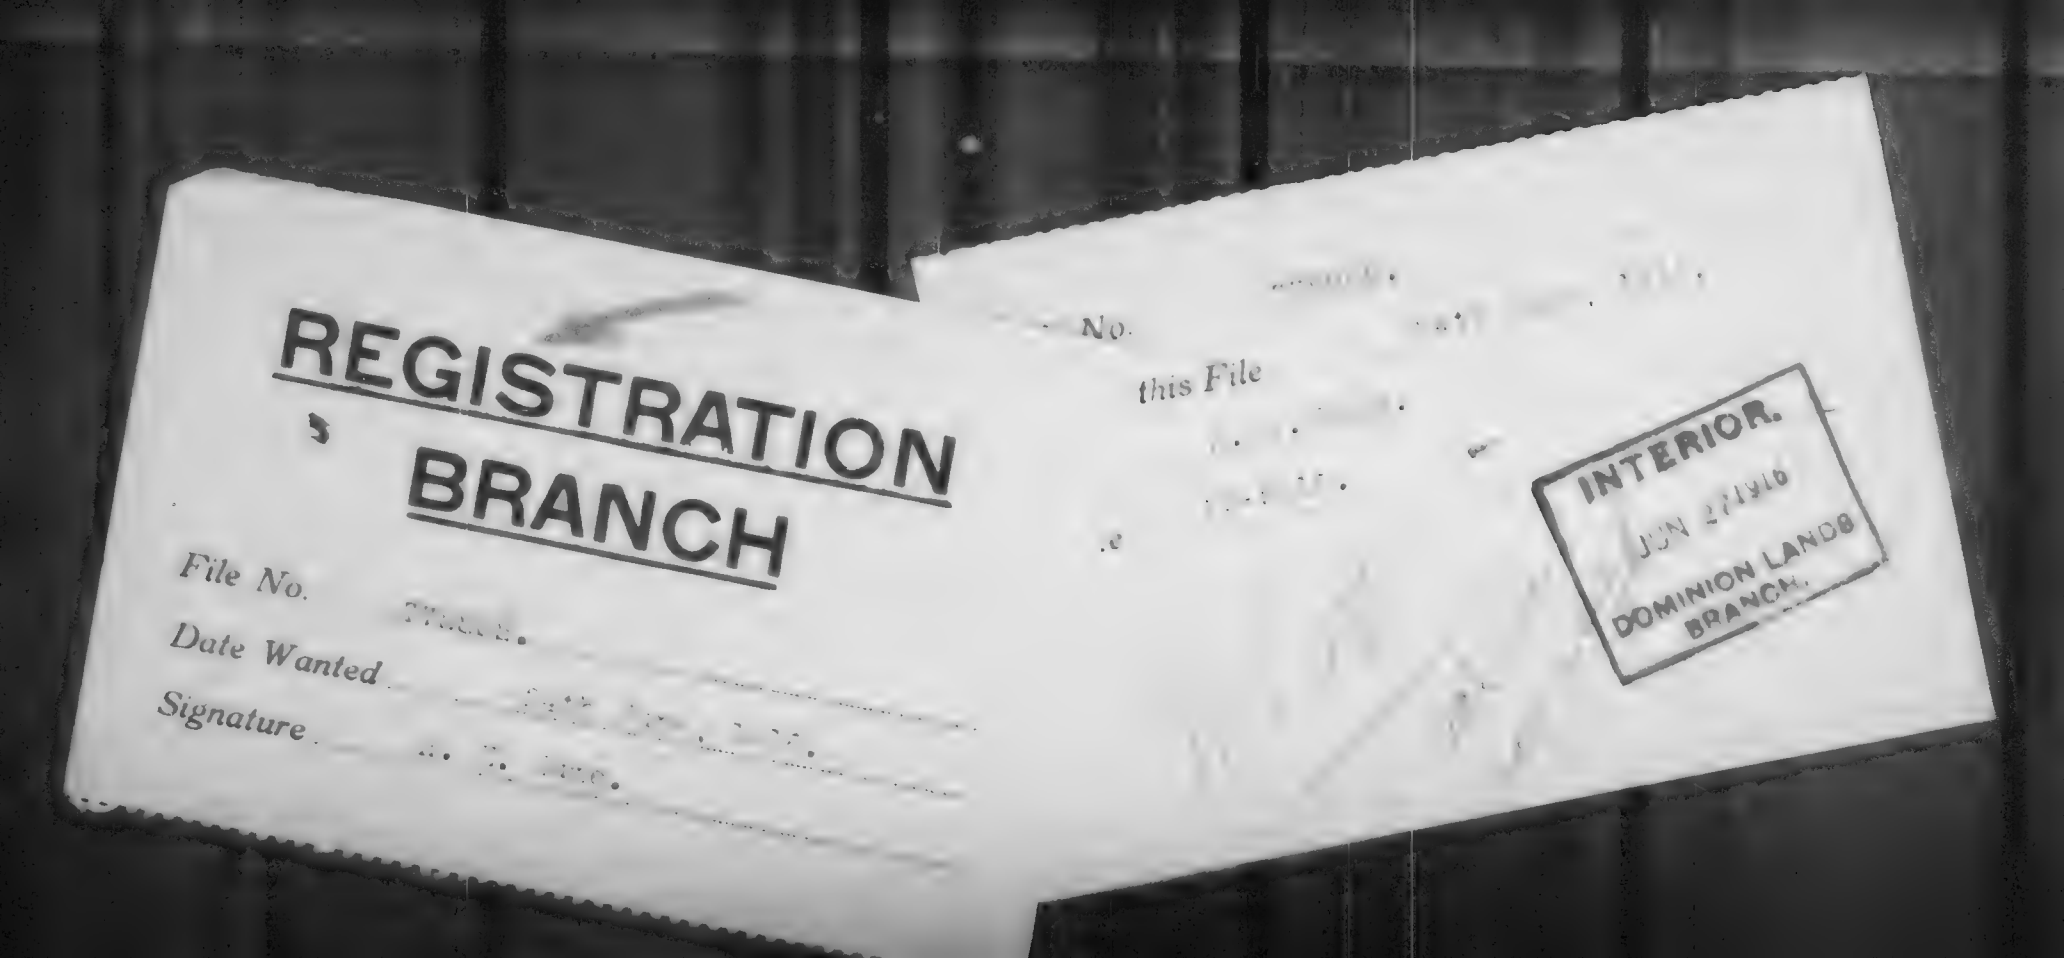

I am, therefore, to request you to call the attention of the Inspector to his neglect of the instructions referred to, and to notify him that it is expected that in the future he will adhere strictly to the rules laid down.

As Mr. Slessor appears to be a satisfactory settler, and taking into consideration his continued residence upon the land and the valuable improvements he has made thereon, it has been decided to overlook the shortcomings in cultivation and to reserve the application.

I enclose a copy of the circular letter above referred to, which you will hand to the Inspector, in the event of a copy that was sent him having been mislaid.

Assistant Secretary.
